“Harry James Orchestra Makes Rare Cincinnati Visit”

WMKV 98.3 FM presents a rare Cincinnati visit by the Harry James Orchestra for a benefit dance / concert this month. It's the orchestra's first appearance in the tri-state area in decades, despite being one of the most requested bands at the radio station.

The dance and concert is Thursday, August 30, from 7-10 pm at Cooper Creek Event Center in Blue Ash. You can purchase tickets for 30 dollars in advance through WMKV at 513-782-2427 or online at www.wmkvfm.org. The event is expected to be a sell out.

All proceeds benefit WMKV, which is a public radio station and the only station owned by a continuous care retirement community (CCRC), Maple Knoll Village, in Springdale, Ohio.
