## 2026 Corporate Opportunities

Every great story is written one chapter at a time.

Since 1848, Maple Knoll Communities has been enduring chapters in our region's history, delivering exceptional care, innovative services, and meaningful experiences. That story continues today through partners who help shape what comes next.

Corporate sponsorship with Maple Knoll Communities Foundation is more than philanthropy; it's a strategic opportunity to elevate your brand. Through year-round visibility, targeted engagement, and direct connection to residents, families, employees, and community leaders, your organization becomes part of a trusted and growing story.

We invite you to write your chapter - strengthening community, celebrating those we serve, and positioning your brand alongside a legacy of excellence.
